Sir:

This is being submitted in response to the July 31, 2003 Office Action issued by the Examiner in the above identified application.

The Examiner has indicated that the claims originally filed in this application, claims 1-9, are drawn to two different inventions, i.e. claims 1-3 (apparatus for dispensing plastic bags) and claims 4-9 (method for making a clip of plastic bags for use in a dispenser).

The Examiner has required applicant to elect one invention for examination in the instant application. In response to this requirement, applicant hereby elects claims 1-3 (apparatus for dispensing plastic bags). Applicant further reserves the right to

Examiner: Michael E. Butler

submit the subject matter of claims 4-9 for separate examination in a divisional application which may be filed at any time during the pendency of the instant application.

If the Examiner should have any questions concerning this election, the undersigned may be reached at his Alexandria, Virginia office at (703) 683-0500.

Respectfully submitted,
